## POPULAR YOUNG PEOPLE WED

Eldest Daughter of Mr. and Mrs. Enoch Boyer Becomes Bride of Burlington Conductor

At 8 o'clock Wednesday evening, June 3, Miss Verity Cecelia Boyer and Mr. Frederick William Reeder were united in the holy bonds of matrimony at the home of the bride's parents, Mr. and Mrs. Enoch Boyer, in Alliance. Rev. Olin S. Baker, pastor of the First Methodist Episcopal church, officiated, using the ring ceremony. Miss Lulu Sturgeon, a cousin of the bride, was bridesmaid, and Conductor T. M. Griffith best man. Lois Boyer, sister of the bride, was ring bearer. Miss Inez Brandt played the Mendelssohn wedding march.

About forty guests, relatives and intimate friends, were present. After the happy pair had been pronounced "man and wife" and had been showered with the congratulations of those present, a buffet luncheon was served. Many beautiful and costly wedding presents were received from friends in Alliance and elsewhere.

The bride was born near Alliance and grew to young womanhood here. She is a graduate of the Alliance High school, class of 1910. She has taught school quite successfully three terms since her graduation. Last winter she took a course in domestic science and sewing at the Agricultural College of the Nebraska State University. The Herald only mentions what Alliance readers already know in saying that she is one of the most popular young ladies of the city.

The groom is a railroad man, being a Burlington conductor, and is also popular in this city, particularly with railroad men with whom he is best acquainted. His parents reside at Iowa Falls, Iowa.

Mr. and Mrs. Reeder left on 301 Wednesday night for Colorado, expecting to spend a week in Denver and Colorado Springs and nearby points. They will be "at home" to their many friends after July 1, at 804 Box Butte avenue.

#### Visiting at McGrew

Mrs. C. D. Hall and son Vivian and Anson Thomas are spending a few days in Scotts Bluff county, visiting at the home of Mr. and Mrs. Wood Milliken near McGrew. Mrs. Milliken is Mrs. Hall's daughter. The visiting party drove over in the Hall auto Tuesday morning and will return Friday. The boys took their hunting paraphernalia with the intention of not spending much time indoors.

#### Whistles Give the News

Promptly at 9:30 o'clock this morning every whistle in town started full blast. The big fire siren alarm on the electric light plant brought the firemen on the dash for the city hall, and every user of a telephone called central. In reply to the query, "Where is the fire?" central answered, "The commercial club now has 240 members."

Fireman Charley Hill, assistant chief of the department, believing that there must be a big fire, with all whistles blowing, ran for the nearest dray wagon, jumped on to the seat, and made for the city hall at a fast run. Charley was chagrined to find that there was no fire.

#### Cubs Outplay Snake Creek

Sixteen to one is the way the score stood at the end of a seven-inning game between the Alliance Cubs and the Snake Creek team at the fair grounds last Sunday evening, the big end of the score being to the credit of the Cubs. The batteries were Darnell, Hayes and Robinson for the Cubs and Smith and

Whaley for Snake Creek. Owing to the Decoration day exercises at the grand stand, the game did not begin till late.

#### DEATH OF POPULAR LADY

Mrs. J. B. Jack, Well Known in Western Nebraska, Is Buried at Rushville

Mr. and Mrs. Chas. H. Tully arrived Tuesday by auto from Rushville, where they attended the funeral of Mr. Tully's sister, Mrs. J. B. Jack, who died at St. Catherine's Hospital in Omaha last Saturday night.

On Wednesday of last week Mr. and Mrs. Tully received a dispatch from Omaha informing them of the serious illness of his sister. They hastened to the city, arriving there two days before her demise.

Margaret A. Tully was born in the year 1863. For many years she resided in northwestern Nebraska. She was married to J. B. Jack at Rushville, where he was in business for a number of years. Several years ago they moved to Omaha. The deceased was one of the most widely known and most highly respected women of this part of the state. As an indication of her popularity at her old home, an immense crowd assembled at the railroad station at Rushville, at 5 o'clock in the morning on Monday, when the train bearing the remains arrived.

The funeral service was held in the Catholic church in Rushville, at 10 a. m., Monday, conducted by Fr. Nepper of Rushville and Fr. Dolan of Chadron. Profuse floral offerings testified to the love in which the deceased was held by her many acquaintances. Burial in the Catholic cemetery by the side of her baby and her father.
